To Whom It May Concern:

As you may know, Trillium Power Wind Corporation (Trillium Power) is proposing to develop the Trillium Power Wind 1 Project offshore in Lake Ontario, approximately 35 km southwest of the City of Kingston. We are currently undertaking the work necessary to receive a Renewable Energy Approval and value your input to this process.

Please find our formal Notice of Public Meeting and Proposal to Engage in a Renewable Energy Project on the reverse of this letter. The proposed Trillium Wind Power 1 Project would produce a maximum of 414 MW of electricity and would consist of a total of 138 wind turbine generators.

We are planning two Open Houses in the following locations:

Napanee Lion's Hall Napanee, ON	Prince Edward Community Centre Picton, ON
Date: July 6, 2010	Date: July 7, 2010
Time: 5:00 pm to 9:00 pm	Time: 5:00 pm to 9:00 pm
Location: 57 Country Road 8	Location: 375 Main Street

The purpose of these Open Houses is to provide an opportunity for you to meet our Project Team and provide your input on our Draft Project Description Report. We look forward to hearing your comments and feedback.

Yours truly,

Jennifer Taylor

Director of Special Projects
Trillium Power Wind Corporation
